

## Vital Voices Global SME Growth Program

### Program Overview

The **Vital Voices Small and Medium Enterprise (SME) Growth Program** is a one-year comprehensive and tailored program focused on building the capacity and concrete skills of SME women business owners to create actionable business plans to grow their businesses. The Program will target women-owned SMEs in the Middle East and North Africa, Sub-Saharan Africa, and Latin America and the Caribbean. The SME Growth Training Program is an online and in-person program that integrates the latest business trends, global best practices, and interactive learning techniques. These and all other programmatic elements are regionally localized to ensure that the program is accessible and applicable to women business owners and the business environments they operate in. The program consists of 4 components:

1. An intensive participant selection process,
2. Online preparatory sessions before the training that guide program participants in drafting a business plan that they will refine throughout the training,
3. A 4-day in-person regional training, and
4. Access to growth services based on needed skills and tools targeted in participants' business plans.

**The application for the SME Growth Program is specific to the Latin America and Caribbean (LAC) region. If you are a LAC woman business owner please continue.**

### Who Can Apply

Vital Voices is seeking applications from LAC women business owners who:

- Own a businesses that has been in operation for at least 3 years,
- Employ at least 3 staff (including temporary and/or seasonal workers), and
